

Books, party supplies and toys for little girls aged 3 - 7 years.

Fun coupled with developing emotional skills

The Five Enchanted Mermaids provide books, party supplies and toys for little girls between 3 and 7 years of age. The products, which are sold through Amazon and eBay, provide a fun environment while helping parents develop their children during this critical age range.

LifeMadeSimple, with expertise marketing a broad range of products on Amazon and Ebay, has partnered with renowned children's book author Lois Petren to create a brand stressing diversity and emotional intelligence skills for young girls.

The Five Enchanted Mermaids brand is uniquely positioned to provide a close integration between their children's products and stories, while incorporating diversity and learning of relevant life skills.
